A DAY TO CELEBRATE FREEDOM

06/19/2024

Dear Diana ,

YCC members and staff have June 19th off in recognition of the emancipation of enslaved people in Galveston, Texas, in 1865 - two and half years after Lincoln signed the Emancipation Proclamation. Communication and access to information, education and opportunity are fundamental to an equitable society.

YCC is proud to be celebrating its 50th anniversary of serving youth, providing paid work placements in our Summer Program, improving our natural environments for all of us.

Young adults at YCC prepare for real-world work experiences and through our legacy of work in environmental stewardship, increasing access to Lake County's green spaces, our members become involved in climate justice and other youth-led movements.

We are in our third week of our **flash four-week fundraising campaign to raise \$10,000** to support our programs. **We need your help!**

Please support YCC.
