

HACES Celebrates the Volunteers Who Make Our Work Possible!

Support Your Community

[DONATE](#)

Volunteers are the backbone of our organization, they provide hundreds of hours of unpaid service to HACES. Volunteers include our Board Members who set the strategic direction for HACES, those who organize and teach our citizenship classes, those who assist teachers in the classroom in our Parent Mentor program, and those who simply help by scanning and filing our many important documents. Our work at HACES simply would not be possible without them!

In this fiscal year alone, HACES has worked with almost 50 volunteers, and we're grateful for each one of them! *Click on the button below to see a list of our fantastic helpers.*
