Why did we choose the theme [Under the Same Moon?](#)

[Under the Same Moon Gala](#) was a theme chosen by our Board President, Ivan Hernandez-Arizmendi. He was inspired by the 2007 film titled "La Misma Luna" or "Under the Same Moon". In this heartfelt film, we are reminded that no matter the distances that separate us, we are all under the same moon. It's a powerful metaphor for the shared humanity that unites us - transcending borders, languages, and cultures.

The story of Under the Same Moon revolves around the sacrifices made for the sake of family, the relentless pursuit of a better life, and the unbreakable bond that spans across borders. It mirrors the struggles and dreams of countless individuals who face adversity in their quest for a brighter future. It compels us to reflect on our shared responsibility. The issues addressed in Under the Same Moon are not isolated; they resonate with the challenges faced by many in our own community.

Just like the characters in the movie, we are all under the same moon, and it is in this spirit of unity that we invite you to attend our gala this, Saturday, December 9 from 6:00 PM to 9:00PM at the Greenbelt Cultural Center, 1215 N. Greenbay Rd., North Chicago, IL 60064. We hope you see you there!
